

Online Entrance Examination Guidelines

Medical Degree English Program (MedEnUTh)

Faculty of Medicine – University of Thessaly

The Medical Degree English Program, UTh (**MedEnUTh**) would like to inform all candidates about the procedure and requirements for the online entrance examination.

Candidates are asked to give online exams with multiple choice questions on Biology & Chemistry.

1. Identification Verification

All candidates must connect to the designated Microsoft Teams meeting for identity verification using an official identification document (passport or national ID card).

If Microsoft Teams is not already installed on your device, please download it from the official Microsoft website:

[Microsoft Teams Download](#)

In case of technical difficulties during login, candidates may contact:

- Email: mkaranik@uth.gr
- Telephone: +30 2410 685727

2. Technical Requirements and Examination Conditions

To ensure the integrity and smooth conduct of the examination, the following conditions are mandatory:

- Candidates must remain alone in a quiet room for the entire duration of the examination.
- The camera must remain switched on at all times, and candidates must continuously face the screen.
- The presence of any other individual or the use of additional devices is strictly prohibited and may result in immediate disqualification.
- The use of a calculator is permitted.
- A periodic table will be provided for the Chemistry section.
- Candidates are strongly advised to use:

- A laptop computer (tablets are not recommended)
 - A stable internet connection, preferably wired
 - A fully charged device
-

3. Written Examination

Following the completion of identity verification, candidates will receive a link to access the online examination platform.

Examination Format

- Total Questions: 40 multiple-choice questions. Only one answer is correct.
 - 20 Chemistry questions
 - 20 Biology questions
 - Duration: 40 minutes
-

4. Technical Support During the Examination

Technical assistance will be available throughout the examination process via Microsoft Teams chat and emergency telephone support in case of login or submission issues.

Interview Process

Candidates who achieve the highest score (usually more than 90%) in the written examination will be invited to participate in an online interview as part of the final evaluation process.
